for State Senate

June 1, 2026

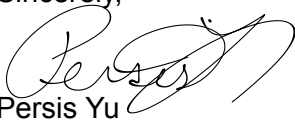

Dear Senator Rush,

With the election fewer than 100 days away and urgent issues facing families in the Norfolk and Suffolk district, we have an obligation to educate and inform the people of our district about our positions on the issues that affect their everyday lives. I'm sure that you will agree that robust and informed engagement is critical to a vibrant and healthy democracy.

To that end, I am writing to invite you to participate in no fewer than 3 debates over the next few months, with the first to occur no later than the end of June. These debates should be public and open to questions from the audience.

I look forward to working with your team to schedule these debates and to a productive and fruitful dialogue.

Sincerely,

Persis Yu
